May Concert Ticket Information

Tickets are now on sale at the Hilbert Circle Theatre box office. Click here for information about purchasing tickets: <http://www.indianapolissymphony.org/tickets/learnmore.aspx?id=3779>

Next week I will e-mail out a "poster" and a blurb to send to school newspapers and newsletters about our concert. Watch for that information and help us spread the word!

Concert Orchestra families - This is a ticketed event, even for families of the members. However, you do not need to purchase a ticket for the orchestra member in your family. He or she will have a place to sit near the stage for ease of transition during the performance.

May Rehearsal Information

A quick reminder/confirmation of our May rehearsal schedule:

May 2 - University of Indianapolis - Symphony Orchestra is asked to bring a stand from home

May 9 (Sunday) - Zionsville Middle School (**not** Zionsville Middle School West) - this is the same school that we have used for the last two years on this weekend. Symphony will rehearse only until 4:00 pm and there will not be a senior rehearsal that day. All other schedules remain the same that day. All NWYO members are asked to bring a stand to rehearsal to ensure that we have enough.

May 16 - Butler University

May 22 - approximately 10:00 am to 2:00 pm (Concert Orchestra, then graduating seniors, then Symphony) - specific times to be given closer to the date

May 23 - Philharmonic Orchestra rehearses on-stage prior to the concert - exact times to be given closer to the date.

Unlock the Music Update -

We are well on our way to success in unlocking the rest of Overture to Candide! All sections have at least 5 measures unlocked at this time! Don't forget - an easy way to invite people to participate is through Facebook! Become a Supporter of our Cause (from the regular Fan page) and there's an easy way to invite your friends and family to donate there. All donations go directly to New World each month from the Cause page. It's quick and easy!

Strings - You're nearly done! Of course you have a serious advantage over the other parts...help out a friend in another section! Does a friend play horn? Find donors to help unlock a horn part! Everyone participating will make this happen.

Unlocked: Violin 2, Viola, Bass, Piccolo, Flute 1, Flute 2, Bassoon 1, and Bassoon 2

Top 10 sections/parts not fully unlocked:

Violin 1 (275 measures unlocked - **only 12 measures to go!!**)

Chamber Music Institute Information (summer program)

The Chamber Music Institute provides an opportunity for young musicians to collaborate in chamber music settings with other talented students while under the tutelage of professional musicians and instructors. This is a program at the University of Indianapolis and applications must be postmarked by May 17, 2010. I have a copy of the brochure that I will e-mail to those who request it, but because of the difficulty in e-mailing attachments will only send to those who request it. Information may also be found at the [UIndy website](#) or through the CMI Facebook page.
