

Just a few quick reminders this week:

No rehearsal on March 28 or April 4.

You will have a guest conductor for a portion of your rehearsal on April 11 - Karel Butz. He subbed for Mr. Nobles earlier this season when we rehearsed at Hilbert Circle Theatre. We're looking forward to him being our guest once again.

Final tuition payments due April 1! Remember, audition applications will not be processed for those who still have balances remaining on their accounts.

Audition information for 2010-2011 is on our website at <http://www.nwyso.org/Auditions.html>

Do you have friends at school, church, or as neighbors who might be interested in joining New World? Help us get the word out about auditions - share your experience, invite him/her to observe a rehearsal or attend the final concert.

Unlock the Music:

Great results from our fundraising campaign so far! Thank you to everyone who has contributed. Together we have raised \$889 in our first full week of the campaign, which is just over 10% of our total! Keep collecting over break - \$1 is all that's needed to unlock a measure. Ways to donate: send check (made out to NWYO) to office, Paypal on our website (www.nwyso.org), or our Causes page on Facebook. If you're on Facebook already, we now have a Causes page affiliated with our Fan page. First - become a Fan of New World. Then, join our Cause and enlist the help of your Facebook friends! Causes makes it easy to donate...\$125 raised on Causes so far and more than 30 supporters of our Cause.

Look for updates every week!
