In this newsletter:

2010 - 2011 Audition Information - forms available on website shortly

Music Educator Award Information - form available at rehearsal on Sunday

Invoices with current balances - mailed Friday, February 26

2010 - 2011 Audition Information - No deadline, but earlier gives you the best choices for dates!

Audition information for next season will be posted to the website as soon as the computer issues are resolved. A few major items of note:

1. All auditions will be held in June
2. The materials have all been updated this year, so please read carefully!
4. Balances from the 2009-2010 season must be paid in full in order to schedule an audition.
5. There are different dates for those wishing to remain in Concert Orchestra and for those wishing to move up to Philharmonic Orchestra. Please try to select an audition date/time within your preferred category. Exceptions may be made if those dates will not work with your schedule.
6. 8th graders - you will be auditioning to move up to Philharmonic Orchestra
7. Enjoying the orchestra? Invite your friends to audition in June!

Music Educator Award Information - March 21 deadline - no exceptions!

Beginning just a few years ago, we now award a school music director a certificate and cash prize at our May performance. How can your director be selected? Fill out the form that will be available at upcoming rehearsals and write an essay describing the qualities that make your teacher stand out. Submissions are reviewed by our Board of Directors at their next meeting.

Invoices -

Invoices were mailed on Friday, February 26 to all members with open balances. I've had a lot of inquiries lately, so my apologies for not addressing those individually, but everyone with a balance due will receive an invoice shortly and that should answer your questions. Those on Payment Plan 3 have one more payment due on April 1.

Remember that in order to schedule an audition for 2010-2011 your account must be paid in full.
