Text Message Notifications

Notifications this season will be provided by text message in addition to e-mail and other methods. Write the numbers for any phones that we may text for these purposes. **Text messaging rates may apply.**

These notifications will include reminders about alternate venue locations, any deviations in rehearsal time, graduating senior rehearsals, extra sectionals occurring before or after rehearsal. We anticipate using this messaging option no more than once in a given week (per member), but families with members in multiple groups should remember that they may receive a message for each member.

After you have submitted your forms, you will receive a text message from wolff9802. **This will require a response from you** – simply follow the instructions on your phone. You will only need to provide this response one time to allow text messages from New World.

Chamber Music Ensembles - Symphony members only!

Do you play in a chamber ensemble or would you like to be placed in a group? Would you like to play with an ensemble as a representative of the New World Youth Orchestras at local events?

If so, then please fill out the following form. More information will be provided at a later date if you are interested in participating in this program. The New World office often receives requests for small ensembles to play at local events and weddings and the groups would be “on call” for opportunities such as these. This chamber program will be very informal – music will be available as needed, but there will not be coaching outside of an occasional session with your conductor, upon request and when possible. Groups will meet on their own and will “audition” to serve as a representative of the organization at local events.
