

Help us Unlock the Music! \$1 is enough to make a difference!

Donate on the website now by going to the Contribute Page and clicking Donate.

This is a brand new fundraiser for New World Youth Orchestras that incorporates our mission with raising money and components of video games: unlocking content and earning achievements. If you've played games like Guitar Hero or Mario Party, then you know how this works. You begin with a certain amount of games or songs you can play and as you master them, new (often more difficult) content is unlocked for you to play. In some cases, there are achievements to be earned for completing certain portions of the game in a specific way and titles gained by doing so – often for no other reason than bragging rights.

The Piece: Overture to Candide by Bernstein

Goal: \$8610

Date: Sunday, May 23, 2010

Place: Hilbert Circle Theatre

Time: 5:00 pm

How can you unlock content? Unlock a measure for \$1 – that's right, just \$1!

Or earn an achievement with a larger donation:

~ \$30 earns the title DEFENDER OF ORCHESTRAS. There are 30 parts in this piece (violin, flute 1, and tuba, for example) and your donation would unlock one measure on every single part!

~ \$287 earns the title TRACK MASTER for unlocking every measure of one part.

Unlocking every measure (reaching our goal) means we can perform the piece in its entirety! Without all of the measures, we will sacrifice portions of the piece! Ensure a complete performance by donating today.

All donations, regardless of size, will be recognized on our website and in a slideshow at the performance.

Donations may be made:

~ through a member of the orchestra by cash or check

~ on our website through Paypal (enter \$1.33 for a \$1 donation, \$31.20 for a \$30 donation, or \$295.91 for a \$287 donation)

~ by mailing a check to the New World office (made out to NWYO).

Sorry – credit cards are accepted through Paypal only.

Upon reaching the \$4,000 level and the \$8,610 level, we will hold a drawing for prizes – so send in your \$1 now! Your name will go into the drawing for each \$1 you submit. Prizes to be announced later.

May concert ticket giveaways will occur randomly from March through May on Twitter, Facebook, and Blogspot. Keep up with the conversation and our running total by checking into these sites regularly.

Will we unlock bonus content by raising an extra \$1000? Stay tuned...
